

## Bowburn Primary School Sports Premium 2020-21

Our Sports Premium allowance for the academic year 2020-21 is **£18,600**. In addition to this we carried over **£0** from 2019-20 making this year's total **£18,600**. The premium will be used to fund additional and sustainable improvements to the provision of PE and sport to encourage the development of healthy, active lifestyles. The Department for Education's vision for the Primary PE and Sports Premium is that ALL pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. We endeavour to see an improvement against the following 5 key indicators:

KEY INDICATORS				
<b>Indicator 1: the engagement of all pupils in regular physical activity</b> - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	<b>Indicator 2: the profile of PE and sport is raised</b> across the school as a tool for whole-school improvement	<b>Indicator 3: increased confidence, knowledge and skills of all staff</b> in teaching PE and sport	<b>Indicator 4: broader experience of a range of sports and activities</b> offered to all pupils	<b>Indicator 5: increased participation in competitive sport</b>

targeting SEN children to help with the stresses linked to Covid.

Strategic support sessions were held throughout the year with the SSP manager. Sport Premium plans, evaluation, website audit and curriculum development were covered in these sessions.

G+T face to face sessions were unable to take place but during lockdown and beyond pupils have been able to access on-line challenges.

Throughout lockdown pupils and staff were able to access the wide variety of online resources provided by the SSP. This promoted physical activity at home and aimed to motivate students to be physically active.

Due to Covid a lot of this was unable to take place face to face. Support was given virtually to PE Subject Leader and an NQT which increased their depth of knowledge in the PE curriculum. Planning was also made available for staff to deliver in a Covid safe environment. This can be used/adapted for future delivery depending on the circumstances.

Unfortunately a lot of this support was unable to take place due to Covid. Support was done virtually with resources/videos being provided for staff to use which is also available for them in the future.

Unfortunately due to Covid this was unable to take place face to face. However staff were provided with resources to deliver this which will be available to train leaders in future years.
